

APTA[®]

Eastern District Meeting

Identification and Management of Ehlers Danlos Syndrome and Hypermobility Spectrum Disorder

TUESDAY

May

14

6:00 PM (ET)

Speaker

Grace Miller, PT, DPT

Session Description

The objectives of this course are to 1) gain understanding and classification of Ehlers Danlos Syndrome (EDS) and hypermobility spectrum disorders (HDS), 2) develop tools for recognition of EDS/HDS, 3) discuss medical team importance and referrals to various specialties, 4) learn anatomy and physiologic changes for this population, and 5) create and carry out a treatment plan for a patient with EDS/HSD in the outpatient setting.

Virtual Only

Zoom link will be sent to you prior to the event.
