Courses in red are prerequisites for Ohio State's Physical Therapy school. Prerequisites may vary by institution.

This curriculum guide is a suggested plan and may vary with each student. Students may complete the coursework on a part-time basis, however, course offerings by semester are subject to change. Students may choose to take courses over summer terms. Many courses are offered online or in-person. You may review online offerings here.

Students who intend to transfer credit to Ohio State may view how credit is accepted on [Transferology.com](http://Transferology.com).

First and second year Honors and Scholars Students with a 3.0 GPA or higher can be directly admitted into the Health Sciences program. Please contact an SHRS Advisor to see if you qualify.
